

Safe Schools/Healthy Students National Cross-Site Evaluation

New Grantee Meeting

October 28-29, 2008

The National Evaluation Team (NET)

 MANILA Consulting Group, Inc.

 RMC Research Corporation

 Battelle Centers for Public Health Research and
Evaluation

Data Collection Overview

Site Visits

Surveys

- Project-Level Survey, School-Level Survey, School Climate Survey

Telephone Interviews

- Project Director Interview, Group Telephone Interviews

GPRA Measures

1-Day Site Visit

(Year 1)

-  Two-person team meets with key managers and stakeholders identified by the project director in February/March
-  Collect/clarify information regarding baseline conditions, program priorities, planned activities, and evaluation plan
-  Discuss future plans

Online Surveys

(Annual)

Project-Level Survey

-  Gather information about new/planned policies, programs, and operations related to the SS/HS program elements
-  Distributed by NET to project director or designee in late winter/early spring
-  30-45 minutes to complete

Online Surveys (Annual)

(continued)

School-Level Survey

-  Gather information about the nature and level of each school's involvement in planning, implementing, and supporting policies, programs, and activities related to the SS/HS program elements
-  Distributed by the NET to school coordinator or project director designee at all schools targeted by the grant in late winter/early spring
-  30-45 minutes to complete

Online Surveys (Annual)

(continued)

School Climate Survey

-  Gather information about perceived safety, learning environment, policies, services, and ATOD problems at each school
-  Distributed by PD or designee to sample of teachers and administrative staff at schools targeted by the grant (sites may opt to conduct a census)
-  7-8 minutes to complete

Telephone Interviews: Project Director (Annual)

-  Individual telephone interview with project director conducted each summer
-  Addresses partner contributions to planning and implementation activities

Telephone Interviews: Group

(Years 2, 3, and 4)

-  Similar to Year 1 site visit
-  Group interviews with project director, local evaluator, and key managers and stakeholders conducted in the summer
-  Update information regarding activities, planning and implementation processes, sustainability, and system changes

Partnership Inventory

(Years 2, 3, and 4)

-  Completed by project director and key managers and stakeholders in the summer
-  Addresses contributions to planning and implementing activities
-  Approximately 5 - 10 minutes to complete

Evaluation Questions

Do SS/HS grants

-  Develop/enhance collaborative systems?
-  Reduce frequency of violent incidents in schools?
-  Reduce rates of ATOD use?
-  Improve access to mental health services?
-  Improve school climate?

Conceptual Framework

Existing Conditions and Resources (Pre-Grant Environment)

- Collaborative Mechanism
 - ✓ History
 - ✓ Composition
 - ✓ Structure
 - ✓ Barriers to collaboration
- Identified Target Populations
- System Resources
 - ✓ Pre-grant program & service investments
 - ✓ Funding

SS/HS Activities

- Partnership Functioning
 - ✓ Assess needs
 - ✓ Search for best practice solutions
 - ✓ Analyze implementation requirements
 - ✓ Select, implement, & support best practice programs & services
 - ✓ Monitor & track performance
 - ✓ Recommend policy changes
 - ✓ Plan future activities
- School Involvement in Decisionmaking
- Training & Technical Assistance
- Leadership
- Project Advocacy

Near-Term Outcomes

- Comprehensive Policies
 - ✓ Scope of policies
 - ✓ Diffusion to schools
- Implementation of Enhanced Services
- Improved Coordination
 - ✓ Service integration activities being implemented
 - ✓ Partner ratings of effectiveness
 - ✓ Extent of resource pooling/sharing
- School-level Organizational Change

Long-Term Outcomes

- Sustainability
- Specific Elements
 - ✓ Prevention of violence
 - ✓ Prevention of substance abuse
 - ✓ Improved access to mental health services
 - ✓ Improved attendance
- Improved School Climate

SS/HS Activities

Partnership Functioning

- ✓ Assess needs
- ✓ Search for best practice solutions
- ✓ Analyze implementation requirements
- ✓ Select, implement, & support best practice programs & services
- ✓ Monitor & track performance
- ✓ Recommend policy changes
- ✓ Plan future activities

School Involvement in Decisionmaking

Training & Technical Assistance

Leadership

Project Advocacy

Partnership Activities

The NET is collecting data to

 Examine the activities underway and key partner involvement related to -

- Planning
- Implementation
- Monitoring/tracking performance
- Sustainability

 Assess the influence on these activities of the -

- Partnership attributes
- Operating environment

Near-Term Outcomes

Near-Term Outcomes

Comprehensive Policies
✓ Scope of policies
✓ Diffusion to schools

Implementation of Enhanced Services

Improved Coordination
✓ Service integration activities being implemented
✓ Partner ratings of effectiveness
✓ Extent of resource pooling/sharing

The NET is collecting data to:

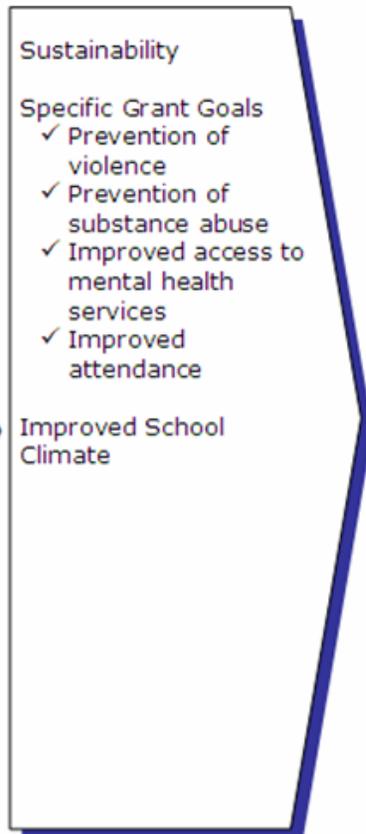

-  Examine the near-term outcomes related to -
 - Number of planned and implemented activities
 - Use of evidence-based programs and practices
 - Number and type of coordination activities

-  Assess the influence on these near-term outcomes of the -
 - Partnership activities
 - Partnership attributes
 - Operating environment

Long-Term Outcomes

Long-Term Outcomes

The NET is collecting data to -

- 🏫 Examine the impact of the grant on important long-term goals, specifically -
 - Sustainability of programs and activities and the partnership
 - Improvements in safety, substance use, violence, and mental health services
 - Overall school climate
- 🏫 Assess the influence on these outcomes of the -
 - Near-term outcomes
 - Partnership activities
 - Partnership attributes
 - Operating environment

Using GPRA Data for Long-Term Outcomes

-  GPRA data are reported in all annual reports and the final performance report
-  The NET follows up on these reports with GPRA templates
-  Enables the NET to measure change and perform additional analyses such as:
 - Differences in grades and school type
 - Comparisons to national and State trends

2008 GPRA Measures

-  Grantees are required to collect and report information annually on six measures.
-  Grantees are expected to conduct two data collections in Year 1: baseline (pre-implementation) and Year 1 actual performance data.
-  Grantees are asked to provide student-level data for each measure.

Student Victimization/ Perception of School Safety Measure #1

 Percentage of students who did not go to school on 1 or more days during the past 30 days because they felt unsafe at school or on their way to and from school

 *Recommended item*

- During the past 30 days, how many days did you not go to school because you felt you would be unsafe at school or on your way to and from school?
 - (a) None
 - (b) 1 day
 - (c) 2 or 3 days
 - (d) 4 or 5 days
 - (e) 6 or more days

Student Victimization/ Perception of School Safety Measure #2

 Percentage of students who have been in a physical fight on school property in the 12 months prior to the survey

 *Recommended item*

- During the past 12 months, how many times on school property have you been in a physical fight?
 - (a) 0 times
 - (b) 1 time
 - (c) 2 or 3 times
 - (d) 4 or more times

Student Substance Use and Abuse Measure #3

 Percentage of students who report current (30-day) alcohol use

 *Recommended item*

- During the past 30 days, on how many days did you use at least one drink of alcohol?
 - (a) 0 days
 - (b) 1 day
 - (c) 2 days
 - (d) 3-9 days
 - (e) 10-19 days
 - (f) 20-30 days

Student Substance Use and Abuse

Measure #4

 Percentage of students who report current (30-day) marijuana use

 *Recommended item*

- During the past 30 days, on how many days did you use marijuana (pot, weed, grass, hash, bud)?
 - (a) 0 days
 - (b) 1 day
 - (c) 2 days
 - (d) 3-9 days
 - (e) 10-19 days
 - (f) 20-30 days

Mental Health Services Provided

Measure #5

 The number of students receiving school-based mental health services

 *Recommended item*

- Total number of students receiving mental health services in school

Mental Health Services Provided

Measure #6

 Percentage of mental health referrals for students that result in mental health services being provided in the community

 *Recommended item*

- Percentage of students receiving mental health services outside school after referral
